NARRATIVE**

For Period Ending: 12/31/2011

Please provide a brief description of any significant business and legal actions taken by the debtor, its creditors, or the court during the reporting period, any unusual or non-recurring accounting transactions that are reported in the financial statements, and any significant changes in the financial condition of the debtor which have occurred subsequent to the report date.

The primary increase in Accounts Payable is due to the 2011 property taxes for the Tooele property.
Property Taxes of \$29,043.23 are recorded in Accounts Payable and not in taxes payable to conform to the accounting software and not duplicate the liability.
The interest expense that is accrued is for the Kingston notes and is to true it up since the inception of the notes, not just a December expense.
The only cash disbursement was for a deposit for a potential home purchase that will be returned.
