DEBTOR: Castle Arch Smyrna, LLC

CASE NO: 11-35246

Form 2-G  
**NARRATIVE**

For Period Ending: 3/31/2012

Please provide a brief description of any significant business and legal actions taken by the debtor, its creditors, or the court during the reporting period, any unusual or non-recurring accounting transactions that are reported in the financial statements, and any significant changes in the financial condition of the debtor which have occurred subsequent to the report date.

Castle Arch Smyrna does not currently have any bank accounts resulting in all pre-petition cash activity occurring in the parent company, Castle Arch Real Estate Investment Company, LLC. However a bank account will be added as there is expected to be income related to a timber contract that was signed by Trent Waddoups pre-petition on 10/20/11. Future monthly reports beginning in April 2012 are expected to have income and disbursements. Other than the timber contract the raw land is sitting vacant and unused due to the change in economic climate. The project is currently on hold pending funding and an improvement in the economic state.

The property tax accrued for 2011 has been recorded in Accounts Payable to conform with the accounting software and is not reflected in Form 2E as it would duplicate the liability.

The inter-company entry was to reconcile a property tax payment that was on Castle Arch Real Estate Investment Company, LLC's books. The expense is higher than the A/P accrual as there was a credit for property tax due to the loss of the 147 acre parcel.

The decrease to Equity was due to the accrual of Preferred Dividends being debited as a contra equity account. The amount was for all of 2011 and not just a December expense.

Castle Arch Smyrna expects to receive cash related to timber sales in April of 2012 and will have a DIP account set up to receive the funds.
