NARRATIVE**

For Period Ending: 4/30/2012

Please provide a brief description of any significant business and legal actions taken by the debtor, its creditors, or the court during the reporting period, any unusual or non-recurring accounting transactions that are reported in the financial statements, and any significant changes in the financial condition of the debtor which have occurred subsequent to the report date.

Payroll is handled through Paychex so most payroll related taxes are paid net through the service. However there is a California related tax that is not paid through Paychex and is accrued and paid separately.
Property tax is accounted for in Accounts Payable so to not duplicate it there has not been any amount noted in Form 2E.
Inter-company note activity that is post-petition has been moved to Accounts Receivable for better clarity.
CAREIC's inter-company account with CAOPI has increased by \$20,000 due to the return of a legal retainer by McKay Burton Thurman that originally was paid by CAOPI but accounted for through an intercompany transaction. The funds were returned to CAOPI upon the recommendation of the U.S. Trustee.
