CASE NO: 11-35237

Form 2-G
NARRATIVE

For Period Ending: 05/31/12

Please provide a brief description of any significant business and legal actions taken by the debtor, its creditors, or the court during the reporting period, any unusual or non-recurring accounting transactions that are reported in the financial statements, and any significant changes in the financial condition of the debtor which have occurred subsequent to the report date.

On May 3, 2012, D. Ray Strong was appointed as Chapter 11 Trustee ("Trustee") of Castle Arch Real Estate Investment Company, LLC ("CAREIC"). Pursuant the Trustee's appointment and the existing ownership structure of the other related debtors, the Trustee also functions as the Manager ("Manager") of CAOP Managers, LLC, Castle Arch Opportunity Partners I, LLC ("CAOPI"), Castle Arch Opportunity Partners II, LLC ("CAOPII"), Castle Arch Secured Development Fund, LLC, Castle Arch Kingman, LLC, and Castle Arch Smyrna, LLC (collectively the "Debtors"). The CAOP Managers, LLC case is jointly administered with the other Debtors.

Shortly after his appointment, the Trustee engaged Dorsey & Whitney, LLP as his counsel and Berkeley Research Group, LLC as his accountants for the CAREIC debtor. Their employment was approved by the Bankruptcy Court on June 13, 2012. The existing counsel for CAOP Managers, LLC remains engaged until a plan of reorganization is confirmed to address issues pertaining to this debtor.

Upon the Trustee's appointment, the Trustee terminated all existing management of CAREIC except Glen Martinsen who was retained to assist with the day-to-day operations and accounting. The Trustee is utilizing a payroll services, Paychex, for the calculation and reporting of payroll. The payroll related expenses are netted and paid to Paychex in a lumpsum for the payroll period. Mr. Martinsen provides services for the Manager relating to CAOP Managers, LLC.

The Trustee has began, among other things: (a) an investigation of Debtor's assets and claims including Longview; (b) reviewed and analyzed the cash needs of the Debtors; (c) developed interim management fees and cash budget; (d) an investigation of Blackstar and Conix transactions; (e) an investigation of the accounting activity of the Debtors; (f) formulation of a plan of reorganization concept; (g) and to develop a detailed Trustee website to provide case information.

CAOP Managers had not previously established a bank account since the entity was passthrough entity for CAOPI and CAOPII. However, during the Manager's preliminary investigation, a note has been identified where payment was being made directly to CAOP Managers, LLC for the benefit of CAOPII. Due to this note, the Manager has setup a bank account and the proceeds from this note will be deposited into the account until a determination is made as to the disposition of the proceeds.

On May 14, 2012, the Trustee filed an emergency motion seeking approval of proposed use of cash on an interim basis. This motion setforth a limited cash budget and proposed management fees for May 2012 and June 2012 with an understanding that an additional motion would be filed seeking approval for future management fees. The emergency motion was granted by the Bankruptcy Court on May 21, 2012.

The Manager has relied on the currently available records and records prepared by the Debtors to obtain historical activity included on the balance sheet referenced in Form 2C and the profit and loss statement in Form 2D. Work is ongoing to ascertain and determine appropriate balances. Balances may be over or understated and are subject to material modification. The financial statements may change as information becomes available to the Manager. The Manager may dispute the nature and amount of the assets and liabilities presented in these financial statements. As new information becomes available, these balances may be adjusted and updated to reflect the correct amounts. The fact that liabilities and assets may have been omitted, listed and/or adjusted, does not necessarily reflect the final opinion as to the eventual treatment under a plan of reorganization or otherwise.

Legal fees have not historically been accrued and reflected in the balance sheet and profit and loss statements. In May, the balance sheet and profit and loss statement has been adjusted to reflect the accrued professional fees. The adjustment of \$22,123.33 was reflected in the May 2012 profit and loss statement representing and estimate all accrued professional fees from the commencement of the bankruptcy cases in October 2011. Future monthly operating reports will reflect the monthly accruals of professional fees. The professional fee and expenses accrued for May 2012 are \$623.33
